## Sleeplessness Kills.

If You Can't Eat or Sleep Well, You Are in a **Dangerous Condition.** 

### Dr. Greene's Nervura Cures.

LEEPLESSNESS is simply a rapid road to the insane asylum. No greater calamity can befall a person than to become sleepless. The extreme weakness, the tired and utterly exhausted and prostrated feelings following wakeful, disturbed and unrefreshing nights are terri-What wonder that there are so many shattered nerves,

thousands upon thousands who pass sleepless or disturbed nights, and rise mornings feeling indescribably miserable, dragged out, scarcely able to face the day's work! What wonder that so many rise mornings from their beds, where they have lain with weary lids and sleepless eyes, tossing from side to side, or simply catching short, unrefreshing naps filled with dreams, feeling heavy-headed, with pale face, haggard looks, dull and heavy, ringed eyes, and go about their daily employment with tired limbs,

tired brains, and debilitated bodies, when we consider the

exhausted energies, nerveless and ambitionless. There is one sure way to cure sleeplessness, and that is by the use of Dr. Greene's Nervura, the great brain and nerve invigorator. This wonderful remedy is Nature's own sleep producer, and is perfectly harmless, being made from pure vegetable medicines fresh from the lap of Nature. It may be given to infants, children, or the most delicate invalids without fear. It

soothes, calms, and quiets the weakened, irritable and over-wrought nerves, producing perfect repose, and refreshing, natural sleep; at the same time it builds up and tones up the shattered nerves and gives renewed

life, strength, vitality and vigor to the system. Mr. F. M. Byers, Alliance, Ohio, says: "Some time ago, I suffered with general disability and nervousness. I could not sleep at night nor in the daytime. I suffered almost everything and had a severe pain in my side. I was depressed in spirits and discouraged in every way. One day I read of Dr. Greene's Nervura blood and nerve remedy, and determined to

try it. I have now taken six or eight bottles and I feel like a new man. I had only taken it a short time when it began to build me up. I can sleep now and have a good appetite and feel that I have a new lease of life. I consider Dr. Greene's Nervura blood and nerve remedy the best of medicines." Dr. Greene can be consulted free, personally or by letter, at his office, 35 West 14th Street, New York Olty. A free letter of advice from the distinguished specialist has placed many an unhealthy man and woman on the road to recovery.
